

New Ideas for Activities in the Riverland

We at U3A Riverland continually strive to offer new and interesting activities for our members in their local area. Whilst brainstorming at our recent committee meeting, we came up with a list of possibilities that you may be interested in. These included:

- ◆ iPhone photography
- ◆ Cooking for one
- ◆ Singing
- ◆ Line dancing
- ◆ Converting slides to digital format
- ◆ Hackers golf
- ◆ Tap dancing
- ◆ Wine appreciation
- ◆ Ethnic cooking – Italian, Greek, Latvian, Vietnamese ...

New courses - 2 of the above suggestions have come to fruition as you can see in the activities program. It just needed someone willing to run an activity for a group of interested U3A members and for people to join up!!

Do any of these activities interest you??

Do you have some ideas to add to the list? One of those "I always wanted to!!"

Do you know anyone who might like to share their skills and act as a tutor for a small group?

Do you know of an existing group who have a tutor/leader that would like to increase their membership by collaborating with U3A?

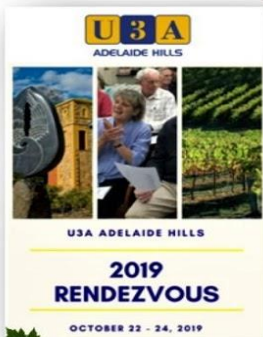

If your answer to any of these questions is YES!!! Then.....

Please share your answers to these questions by replying to this email or contacting any of our approachable committee members. Our committee members are:

Helen Slade, Marian Woodberry, Daina Braddock, Shirley Sims, Diana March, Tony Guster, John Penna, Terry Marter, Meredith Dunn, Bev Hartigan, Anne Chase and Anne-Marie Riley
