

Dear members

We are all aware that the theme for U3A Riverland is to remain active physically, mentally and socially.

Your committee would like to explore and expand the social experience by inviting all members to come together to enjoy a visit to "The Pines" Loxton's Historical House and Gardens on Sunday May 26th from 2pm.

May is designated History month, so this is an opportunity to meet other members of U3A in a relaxed historical environment.

Cost: The cost of this relaxing outing is an all-inclusive \$15.00, payable at the site.

You will be treated to a guided tour of the house; wander around the beautiful gardens; the work of dedicated volunteers; chat to Elvis the "King" parrot and partake of a delicious afternoon tea.

How to register your interest

It is important that attendance is confirmed by Friday May 17th so that the correct number of guides is available and for catering purposes.

Ring: or text Marian Woodberry on 0412 649 766 or
