NEW & PROPOSED ACTIVITIES

The following activities will proceed if enough participants enrol with the tutors directly.

You will be notified if or when the activity proceeds

Chainsaw & tool maintenance 	Do you have a shed full of tools that need some maintenance? We are looking for expressions of interest for members keen to pick up skills to look after their equipment – from chainsaw maintenance to sharpening secateurs. There will be something for everyone, male or female! If this is of interest to you, please contact Brent Morrell by email or mobile Email : bkmorrell@bigpond.com Phone : 8586 5235
Sip & Spit 	Jenny Lowry from Loxton is offering a wine appreciation course over 3 weeks in February 2021. Suggested time and place would be 2-4pm on Fridays. There will be more details to come, but in the meantime please register your interest by contacting Daina Braddock by email dainabraddock@live.com.au
POSITIVE PSYCHOLOGY short course 	Learning about positive psychology, and then applying it can actually help you to improve your life. Priscilla Jordan worked as an OT in mental health before retiring. She felt the need to keep on using her brain in a project, and wanted to try to offer something to older people- something that was potentially useful to those who are interested in improving their life. Although Priscilla is based in Adelaide, she has run short courses (of 5 weeks) via Zoom - a one hour weekly Zoom session at a time that suited the participants. She has already completed one course for some of our Riverland members who were able to easily navigate the use of Zoom and has another running early in 2021. If this course resonates with you contact her via email priscillagj2020@gmail.com for more information
FAMILY HISTORY 	Tony Guster is keen to create a Family History group. This will be a group for sharing family history, research knowledge, skills and resources. Participants may be at any stage of their family history project, from absolute beginner to seasoned publisher! There will be some information presentations, but the emphasis will be on sharing one's efforts and/or on seeking support through question and answer. Tony proposes to offer this activity at the U3A Riverland building (formerly RSL) in Berri the 3 rd Thursday of the month starting March 16 2021. Contact Tony by email on tonyguster@gmail.com or 0447 781 820 to register your interest
